

Keith Weaver

A graduate of the Maryland Institute of Art class of 1979, Keith attended Skowhegan School of Art's summer residency program in 1980 and spent the summer of 2010 with the Jerusalem Studio School Master Class, at the Certosa Di Pontignano in Italy. This summer, Keith's second residency with the JSS was in Civita Castellana and the Roman campagna. Primarily painting in oils, Keith is "excited to join the Harford Plein Air group this fall and hope to capture some of the beauty in that area on canvas."
